Streams Of Service

General Stream: Youth who are 16 – 25 years old experiencing risk factors, and who may, or may not, be connected to Child and Family Wellbeing programs. Youth may self-refer.

Youth In Care Stream: Youth 12 – 19 years old in the Minister's care, including temporary and permanent care.

Being involved in YOP programs also gives you access to YOP Plus supports.

With the exception of any walk in programming, all youth who access the YOP for one-to-one support, must come through the referral process.
